MAGNETIC  
 Measuring System  
 Bird: G-422A Cesium  
 Base Station: Scintrex CS-2  
 ACQUISITION  
 Helicopter-borne measurements were performed  
 along parallel lines  
 Line spacing: 200 m  
 Average bird height: 35 m  
 NAVIGATION  
 Active navigation using GPS system  
 Radar altimeter

Scale 1:50000
